

## **Open for Business**

Knapp Fasteners has been deemed an essential service by the Ontario government. Since we support our customers in the healthcare, food, and other essential services, we are continuing to operate with precautions being taken.

## **What you need to know as a customer**

- Our hours: 8AM-5PM
- We are here to support you and your customers
- If you're re-tooling your facilities or working on bids for safety equipment, let us know and we'll put a rush on finding any unusual items

## **For local customers**

- We are not currently accepting walk-in inquiries, please email or call us
- For pick-up orders, the door at the side of the building is locked. Please ring the bell once you've arrived and we will bring your order out. A mask is required to enter the building.
- Orders will be accepted verbally and not physically signed for
- We are still delivering orders in the region

## **Support & Gratitude**

Thank you to our customers who are supporting the essential services and to those who are re-tooling their facilities to help produce essential equipment.

We're here to help make your job as a buyer easier, let us help you help others. Please contact us for any requirements or questions you may have.
